Holiday Gift Wrapping

Each November and December, we sign up for shifts at Lakeline Mall and local Barnes and Noble stores to wrap gifts for donations. **We need volunteers with experience wrapping gifts** (the better they look, the larger the donations!) and who enjoy talking about the shelter! Days and times vary from year to year. The shelter provides all supplies and sometimes may need volunteers to transport the supplies back to the shelter after the last wrapping shift of the night. Adoption Day/Meet & Greet Events

Almost every weekend, the CTSPCA has an offsite event to show off our animals for adoption at local pet stores such as Petco, Petsmart and Tomlinsons. **Volunteers needed at these events** work with the designated lead to set up our table, handle the pets we take, talk to visitors about those pets and our shelter, and tear down at the end of the event. These events are normally 2-4 hours and volunteers are needed to stay the entire time as we take one dog per adult volunteer who signs up. Contact Alisand Robison; alisandrobison@gmail.com
